Notices.

All ministers and Christian Workers are cordially invited to be present and participate in the conference.

Rooms will be provided free in Montgomery Hall for those in attendance, and meals will be charged for at the rate of twenty-five cents a piece at the table of the students' club.

Those who intend to spend the night at the seminary are requested to notify President Landon in advance in order that adequate arrangements may be made.

The readers of the papers will be confined strictly to the half hour assigned to the separate topics. If the paper should not occupy so much time, the balance will be given to the discussion.

While the preparation for the conference will be intellectually sound and thorough, it is the desire of those interested that it should also minister to the devotional life of all who participate. It is our purpose to hold before our eyes Jesus Christ, the Saviour of the World, the Friend of his followers, and the strength and solace of his laborers in the harvest fields of humanity.
